Introduction

Thank you for considering my services for developing your ID verification system. Below, I have outlined the proposed solution that meets your requirements for both client and agent functionalities, along with a fixed-term pricing model that includes hosting and support.

System Overview

Client-Side Features:

- Secure ID Submission: Clients can securely submit front and back images of their ID.

- Automated Verification: The system validates the authenticity of the submitted IDs.

- Age Verification: The system ensures the client meets or exceeds the age defined by the verification link (default: 13).

Agent-Side Features:

- Link Generation: Agents can generate unique verification links to send to clients.

- Submission Tracking: Agents can monitor submission statuses and track the verification process.

- Manual Review: Agents can manually review submissions if the image quality or document details are questionable.

Technical and Security Considerations

- Advanced Verification Engine: Utilizes image processing and machine learning techniques to ensure reliable ID validation.

- Data Security: Implements industry-standard encryption and security protocols to safeguard sensitive data.

- Scalable Architecture: Designed to accommodate increasing verification volumes and future enhancements.

- Integrations: system will be able to integrate with other system via a REST API

Pricing and Support

Below is a breakdown of the fixed-term pricing model:

Item	Cost
One-Time Development Fee	$500.00
Annual Hosting Charges	$120.00
12 Months Technical Support	Included with development
Total	**$620.00**

Note: The above pricing is indicative and may be adjusted based on any additional features or customizations requested.

Implementation Timeline

The proposed timeline for the project is as follows:

Phase	Duration
Planning & Design	1 week
Development & Testing	3–4 weeks
Deployment & Training	1 week
Total	**6 weeks**

Conclusion

I am confident that this solution will provide a secure, efficient experience for both your clients and agents. I look forward to the opportunity to work together and am available to discuss any further details or answer questions you may have.

Thank you for your consideration.

Sincerely,

Gift Mugaragumbo
